The residents and relatives meet is still going ahead as planned but it will be only be for Residents. For the relatives we ask that you email our manager if there is anything you would have liked to bring up at the meeting

especially those of you who have been

forced to stay away from your loved ones.

We are going to do all we can to make this time a little bit easier for you. We have Skype; if you would like to Skype your loved one please message me to make arrangements.

Looking back at March

In March we celebrated birthdays, we made fat balls for the birds, we baked cakes and we had plenty of laughs! We even had fish and chips, compliments of Misterton fish and chip shop.

Our residents are doing very well during this lockdown; we know it can't be easy for them being separated from family and loved ones. We have skype; please do contact us if you would like to use this service.

When this is over we shall be having one big party!

I think we can all agree that the staff are doing an amazing job and remain in high spirits.

We hope you have enjoyed our Monthly Newsletter.

Please do let us know of anything you wish to see included within this Newsletter and we will do our best to incorporate your ideas.

Have a great month – you know where we are if you need us!
