Jasmine healthcare has the foresight to provide the home with electric car charging points, once again showing that they act with integrity regarding their jasmine values (which is value 11 – caring for the environment) These are a massive asset to the home and we look forward to seeing these being used!

I know at this time things are very hard for all, especially those of you who have been forced to stay away from your loved ones.

We are going to do all we can to make this time a little bit easier for you. We have Skype; if you would like to Skype your loved one please message me to make arrangements.

# Looking back at June

June has been a busy month with birthdays!

We have tried to make each birthday as special as we can under the circumstances.

We even celebrated the queen's birthday and she made a special Guest appearance!

Our Italian themed day was a hit; you all enjoyed the food and even commented on how nice it was having a change!

Misterton chippy kindly donated fish and chips for all the residents.

Father's day was difficult for you all but the lovely cards and presents from your families made all the difference.

We hope you have enjoyed our Monthly Newsletter.  
Please do let us know of anything you wish to see included within this Newsletter and we will do our best to incorporate your ideas.  
Have a great month – you know where we are if you need us!
