February has been a busy month for all of us at south moor lodge with the restart of visits. It was lovely seeing family members for the first in which feel like ages, it has brought a spring to the step of the residents who loved every minute of seeing their loved one.

Visits are every Monday and Thursday, 10 am and the last visit at 5.30pm. Each appointment is approximately 20 minutes long; we ask that you leave swiftly so that staff can disinfect the area ready for the next appointment. On the day of your visit you will be offered an appointment for the following week.

We ask that you do not come more than 10 minutes early to your allotted time as we want to reduce the risk of paths crossing of different families. We also ask that you DO NOT open the door that is between you and your loved one.

We are still offering skype appointments but these are prioritised to family members who live/work away and are unable to attend visits. If you would like to Skype your loved one please message me to make arrangements. activities.southmoor@jasminehealthcare.co.uk Skype appointments are offered between the hours 10am to 2pm –Tuesday, Wednesday and Friday, we will try to be as flexible as possible if these are not convenient.

Just a polite reminder that the Facebook page is not staffed 24/7 messages will only be answered during business hours which are Monday to Friday 9am – 4pm.
