April has been and during this month we were pleased to see our newest member to the team, our hairdresser. The difference this has made to our residents is unbelievable. Once they come out of our hair salon they all have great big beams across their faces. The residents have enjoyed live entertainment through the power of technology. Having dogs back in the home has brought the residents plenty of joy, who doesn't enjoy seeing cute dogs. World Penguin day had all of the residents laughing and smiling, seeing our staff dressing up to cheer our residents up. I'm sure it had most of Walkeringham laughing as well as staff took our residents out for a walk around the village.

Visits are every Monday and Thursday, 10 am and the last visit at 5.30pm. Each appointment is approximately 20 minutes long; we ask that you leave swiftly so that staff can disinfect the area ready for the next appointment. On the day of your visit you will be offered an appointment for the following week, if this is not offered please ask a member of staff. Families are now required to sign next to their next visit to eliminate any confusion or miscommunication.

We ask that you do not come more than 10 minutes early to your allotted time as we want to reduce the risk of paths crossing of different families. We also ask that you DO NOT open the door that is between you and your loved one.

We are still offering skype appointments but these are prioritised to family members who live/work away and are unable to attend visits. If you would like to Skype your loved one please message me to make arrangements. [activities.southmoor@jasminehealthcare.co.uk](mailto:activities.southmoor@jasminehealthcare.co.uk) Skype appointments are offered between the hours 10am to 2pm –Tuesday, Wednesday and Friday, we will try to be as flexible as possible if these are not convenient. Just a polite reminder that the Facebook page is not staffed 24/7 messages will only be answered during business hours which are Monday to Friday 9am – 4pm.
