Birthdays in September:
Vera 3rd
Sylvia w 5th
Irene 10th – 99th

Can you believe how fast August has gone!?! August is our busiest month for birthdays. We have had the pleasure of celebrating with each and every one of our residents. We do celebrate each birthday but we do plan special events for the special birthdays. We had the pleasure of celebrating Jessie's 99th birthday with her, the lovely singer Annie helped us to celebrate. The residents loved every minute of the celebrations.

As Part of jasmines value number 5 – to have and reward a strong work ethic, Rachel our head of housekeeping received an award for going above and beyond her job role. Jane, who is part of the housekeeping team, received an award for being positive in and around the home. There isn't a day where Jane isn't positive; the staff have been taking training from her, learning how to turn every situation into a positive one.

Charley received carer of the month as over the past few weeks the residents have commented how Charley takes time to listen to them and always talks to them with a kind and calm manner. She will always go above and beyond for each resident and ensures she always had a cheerful disposition. Well done team!

I hate to bring this up but.... We are already planning for Christmas and if you are thinking of recycling any old presents it would be appreciated here.

Just a polite reminder that the Facebook page is not staffed 24/7 messages will only be answered during business hours which are Monday to Friday 9am – 4pm.
